

To the staff that cared for Jean Novak,
first and foremost, we thank you.
Although she was only in your care
for a small amount of time, you made an
impact on her well being and ours. Jean was a
special lady, and though you didn't get to know her as
she was, she would've wanted to thank you herself.
Jean was a social cornerstone of the Richwood area,
and the whole town will soon be singing the praises of
SRMC and the wonderful staff employed here.

Thank you from the bottom of our hearts,
for everything!
